Tom -

If we can confirm, Thursday, March 15 from 10 - 11:00, that would work.

Also, will Congressman Marino be participating?

Pamela,

We are requesting a follow-up Conference call with your office on the Dimock issues. On our end we would have from the congressman's office Dave Weber, Rob Savino, Drew Kent and myself. From DEP we would have Secretary Michael Krancer and Deputy Secretary Scott Perry joining the call. I have listed the dates we would be able to have the call on below.

Thursday, March 8 from 8 - 10 a.m. AND 2 - 4 p.m.

Tuesday, March 13 from 2 - 4 p.m.

Wednesday, March 14 from 12:30 - 3 p.m.

Thursday, March 15 from 10 - 11:30 a.m. AND 1:30 - 3 p.m.

Friday, March 16 - from 9 a.m. to 12 p.m.

I hope one of these dates/times works out. I will wait to hear from you.

Thanks,
Thomas Cahill

Dave -

Wanted to check in with you on your request for a call. EPA can reach out to DEP to schedule something for tomorrow. EPA folks are available at 1:00 or 1:30.

Dave -

Unfortunately, we are not going to be able to do a call on Monday.
Staff are looking at Tuesday options, but most likely will be before 1:00pm EST. Have you already reached out to PADEP regarding a meeting with EPA, or do you want us to contact? If you have reached out, can you share the names, we want to make sure we have the right level folks on the call. Also, again it would be helpful to have questions in advance.
Thanks

Pamela

Not a problem. Can we schedule something for Monday or Tuesday? Please forward some times that work best for all. Also, it would be helpful if you could forward some of the questions you have in advance of the call.
Thanks.
